Fed. Trade Comm.
Washington, D.C.

FEDERAL TRADE COMMISSION
RECEIVED DOCUMENTS
P894219
AUG 5 1997
B219027005 86
SECRETARY

Gentlemen:

When I shop, I look for the "Made in U.S.A." label. I trust this to mean the item has been made by workers living in United States.

I am against any plan to change this system. To state that an imported item has been made in U.S.A. is, in my opinion, fraud against the american consumer.

I hope no changes will be made

Very truly Yours,
Helen O'Connor
