To Whom It May Concern:

The purpose of this letter is to nominate Robert A. Rein for membership to The Federal Trade Commission Advisory Committee on "Online Access and Security."

Robert (Bob) brings over 26 years of experience in technology consulting. Bob is a Principal in the Southwest Market of Arthur Andersen where he leads the Electronic Business Risk and Assurance Service. Bob previously architected and led the Electronic Business Security Services Global Practice for EDS. Prior to his work at EDS, he spent seven (7) years with Nortel in both telecommunications and data networking and 19 years with IBM handling a variety of large clients. He also served as Managing Director for Asia-Pacific for a data networking company. Bob's industry expertise includes telecommunications, defense, utilities and he has worked with many financial services firms.

Bob has done several speaking engagements worldwide on the topics of Electronic Business, Security and PKI/CA. He has had an article published in "Electronic Commerce World" Magazine on "A Roadmap to Secure Business to Business Electronic Commerce." Bob is a trained and experienced mediator and arbitrator and a former member of the Texas Bar - Alternate Dispute Resolution section.

I am pleased to nominate Bob for membership on this Advisory committee. Please reference Bob's attached resume for additional information.

Very truly yours,

By

Barron W. Green
