

Hi,

As noted on <http://www.ftc.gov/bcp/workshops/spam/index.html>  
I would like to ask that my presentation on "The Open Proxy Problem",  
available at <http://darkwing.uoregon.edu/~joe/proxies/> (PDF and PowerPoint  
formats provided), be added as a supplement to the Spam Forum Record.

Thanks,

Joe St Sauver, Ph.D.  
Director, User Services and Network Applications  
University of Oregon Computing Center
