

**MICHAEL A. JONES**

Michael A. Jones was named General Manager, Global Business and Market Development for GE Medical Systems in 2001. In this role, he is responsible for leading the Global Business Development Team in identifying and executing merger and acquisitions, investments and alliances in support of the strategic growth initiatives of GE Medical Systems and in identifying new growth opportunities for the business.

Prior to joining GE, Michael was a Director in the Technology Investment Banking Group at Prudential Securities in San Francisco, where he led the Firm's communications technology investment banking practice and technology M&A activities. Previously, he spent nine years with Oppenheimer & Co., Inc. in New York and San Francisco, where he focused primarily on merger and acquisition transactions and equity offerings for technology companies.
