Frequently Asked Questions

Trappist Spirituality of Death

New Melleray Abbey

Frequently Asked Questions

Who are we?

We are Roman Catholic monks who belong to the Trappist Order. Our monastery, New Melleray Abbey, was founded 1849 by monks from Ireland. Trappists belong to the Cistercian tradition which follows the ancient monastic *Rule of Saint Benedict*. Consistent with the *Rule*, our vocation is expressed in a life of contemplative prayer, community liturgy, and manual labor.

Why buy a Trappist casket or urn?

People purchase Trappist Caskets for many reasons, but the following factors are usually most compelling:

1. The products are tastefully designed and skillfully crafted by monks.
2. The reasonable cost and exceptional value of the workmanship.
3. The proceeds from sales support a prayerful monastic community.
4. The business is environmentally responsible, with wood coming from the monastery's own forests.

Can a Trappist Casket be purchased prior to need?

Yes. You have two options for establishing prior need:

1. Fill out a Certificate of Intent that will clarify your wishes without obligating you legally or requiring that you pay in advance, or
2. You may sign a pre-need contract and pay in advance, thereby relieving a loved one the need to make a difficult and often costly decision.

Either way, we will store the casket for you here at the monastery and ship it when needed.

Will a funeral home accept a Trappist Casket?

Yes. All funeral homes and cemeteries in the U.S. are obligated by law to accept funeral merchandise you wish to provide. Sensitive funeral providers will be very helpful in arranging to handle a Trappist Casket.

What about shipping?

Through a combination of shipping options, we can get a casket

Through a combination of shipping options, we can get a casket or urn almost anywhere in time for a funeral service. Shipping costs vary depending on the destination and method of carrier, but most casket shipments cost between \$95 and \$195 for next day or two day delivery. Urns cost \$20 to ship.

Will you make a custom casket or urn?

Yes. In addition to customizing a stock unit, we can also make a casket to particular dimensions or even alter a design. Please inquire.

TRAPPIST CASKETS® and URNS

Trappist Caskets is a work of the monks at New Melleray Abbey. We make traditional caskets and urns and sell them directly to the public at wholesale prices. Our goal is to balance quality workmanship with fair prices -- while maintaining standards of *understated dignity in design* and *environmental stewardship in production*.

Much of the wood we use comes from our own award-winning forest. Our distinctive caskets and urns are an alternative to mass-produced products that currently dominate the funeral market. Trappist Caskets provides vital financial support to our 152-year old monastic community.

If you are interested in using a Trappist Casket at some future date, we provide two options for planning purposes: a Certificate of Intent or a Funeral Contract.

Certificate of Intent

[Making Caskets](#)

[Frequently Asked Questions](#)

A Certificate of Intent allows you to clarify your wishes in terms of the casket model you would like, where it would be shipped when it is needed, etc. This is not a binding agreement but simply a statement of your wishes. No money will be exchanged in this transaction. We will document and file your Certificate of Intent as well as send copies to your funeral provider and/or family member of your choice.

[Trappist Spirituality of Death](#)

[New Melleray Abbey](#)

Funeral Contract

A Funeral Contract allows you to pay for the casket you are requesting *in advance* so no burden will be placed on family members at the time of need. This is a revocable, guaranteed contract approved by the State of Iowa. You will pay for the casket now and your money will be placed in a Certificate of Deposit under your name. We will name ourselves as beneficiaries of the CD. A Funeral Contract is the best way to satisfy all planning needs by taking care of everything in advance.

Pre-need payment plan

With the rising cost of funerals today, many people choose to prearrange and prepay their funeral services. Funeral homes offer plans in which the client can completely arrange their funeral services and begin paying on them, avoiding a huge funeral bill at the time of need.

At Caskets Plus you can also purchase your casket in advance. This plan has many advantages.

- The cost of the casket is frozen at today's prices, hedging against inflation.
- Payment plans can be tailored to fit any budget, with low monthly, quarterly, semiannual or annual payments.
- There are no associated interest or finance charges
- The plan is funded by insurance, protecting your investment.
- The plan is approved by the Texas Banking Commission and overseen by the State Board of Insurance.

Come by or call and inquire.

FUNERAL PLANNING TIPS:

Shop around in advance. Compare prices from at least two funeral homes. Remember that you can supply your own casket or urn.

Ask for a price list. The law requires funeral homes to give you a written price list for products and services.

Resist pressure to buy goods and services you don't really want or need.

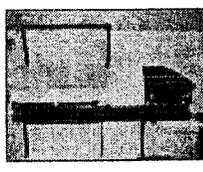

Avoid emotional overspending. It's not necessary to have the fanciest casket or the most elaborate funeral to properly honor a loved one.

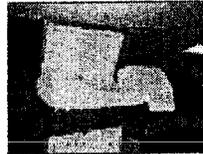

Recognize your rights. Laws regarding funerals and burials vary from state to state. It's a smart move to know which goods or services the law requires you to purchase and which are optional.

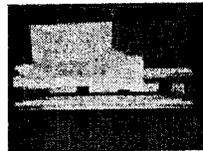

Apply the same smart shopping techniques you use for other major purchases. You can cut costs by limiting the viewing to one day or one hour before the funeral, and by dressing your

loved one in a favorite outfit instead of costly burial clothing.

Plan ahead. It allows you to comparison shop with time constraints, creates opportunity for family discussion, and lifts some of the burden from your family.
