RE: Made in USA Policy Comment

The purpose of this letter is to voice my opposition of the proposal to change the existing Made in USA labeling standards. It amazes me that such a non - American and obviously fraudulent proposal would even be considered. Enough Americans have lost jobs due to greedy manufactures seeking cheap labor in Foreign countries. We as Americans are entitled to know that any item that's labeled Made in the USA, in fact is, Made in the USA!

Sincerely,

Tanya T. Crump
