

I have been wearing contacts/eyeglasses since I was 15 years old - I am now 36 and a successful member of society. I want to be able to buy my contacts, easily and quickly, from whomever I choose. I do not want to have buy the exact same contacts, sometimes at higher prices and always at more of an inconvenience, from my eye doctor.

I want the same rights as my eyeglass wearing brethren. I understand that some eye doctors are lobbying the Federal Trade Commission to limit my rights by making it less convenient for me to buy new lenses. Please hear my voice, I do NOT want this to happen. I have been nothing but pleased with they way I have obtained my contact lenses.

Thank You,

Charles E. Woods
