

- \* I am in favor of the Fairness to Contact Lens Consumer Act of 2003.
- \* I believe our eye doctor should provide us with our prescription
- \* I believe our eye doctor should not charge us for our prescription.
- \* I believe we should have a choice of where we can purchase our contact lenses.

I support the new Contact Lens Law because I want it as easy and convenient as possible for me to purchase my lenses from whomever I choose.
