Subject: Contact Lens Prescription Rights

To whom it may concern:

This is to inform you of my support for contact lens prescription rights to obtain the prescription from the eye doctor (Optometrist, Ophthalmologist) without any pressure of purchasing contact lenses from the provider. This is important to me and all of the people that purchase lenses from whomever I/WE choose. I have been pressured to purchase contact lenses from the eye doctor where I received my eye examination, I did not and requested my prescription from my eye doctor.

Jose Bernardo
