Subject: Fairness to Contact Lens Consumers Act of 2003

I support the new Fairness to Contact Lens Consumers Act of 2003.

It is important to me that it be as easy and convenient as possible to purchase my lenses from whomever I choose. Many of these offices are franchises. Eye doctors place a high mark up on the contact lenses that consumers are forced to buy when doctors refuse to provide the patient with their prescriptions. Patients should be able to shop around for goods and services in our society, including contact lenses.

Thank you!
