To Whom It May Concern:

I wanted to take the opportunity to send an e-mail and let you know how important it is for me, as a contact lens wearer, to be able to secure my lenses in an easy and convenient fashion.

I should be allowed the same purchasing freedom as those who wear glasses do. I work hard for my money and I care about my eyes. I should be able to shop around and get the best price.

Those who wear glasses enjoy this. Why should it be any different for me, just because I wear lenses.

Thanks for your time,

Mia Harris
