Subject: Contact Lens Rule

Gentlemen and Ladies,

I understand the FTC has proposed a rule which could require me to wait days before my new lenses could be shipped. Because I wear disposable lenses, sometimes I need to get a new prescription quickly if I've gone through the last ones more quickly than expected because of allergies or other circumstances.

I want to let you know that I oppose the part of the proposed rule that could make me wait days for my lenses.

Sincerely,
Nancy Fortson
