I VERY MUCH SUPPORT THE LAW THAT GIVES ME THE RIGHT TO BUY MY CONTACT LENS WHERE I WANT. MY DOCTOR GAVE ME THE WRONG RX A FEW YEARS AGO AND HE WAS GONE OUT OF TOWN WHEN I DISCOVERED THE ERROR. I WAS LEAVING FOR A TRIP MYSELF AND HAD NO WAY TO GET ANY LENS. HE WOULD ONLY SELL ME 1 BOX AT A TIME AND THAT WAS TO MAKE SURE THAT I CAME BACK TO HIM BECAUSE HE WOULD NOT GIVE MY RX TO ANOTHER DOCTOR OR MYSELF. I HAVE HAD A VERY BAD EXPERIENCE WITH THIS MATTER AND DO NOT WANT ANY PROBLEMS LIKE THIS AGAIN. I FOUND A PLACE TO BUY THE SAME LENS CHEAPER AND HE WAS REALLY UPSET WITH THIS. I AM A BUSINESS OWNER AND KNOW THE IMPORTANCE OF KEEPING YOUR CUSTOMERS AND THIS IS NO WAY TO DO THAT. I WANT TO BE ABLE TO PURCHASE SEVERAL BOXES AT A LESSER AMOUNT AND BE SURE THAT WHEN NOT AT HOME I WILL HAVE EXTRAS IN CASE OF AN ACCIDENT.

I recently went to the eye doctor to get my eyes checked and requested a copy of my prescription. I was told that I couldn't have a copy of it and was questioned as to why I needed it. I always get my contacts online because they are so much cheaper. I was told that I'd have to get my contacts ~~online~~ through them. Need-less to say, I'll never go back to that doctor. I hope this new law will make it easier to obtain your info from eye doctors. It's our right to have that information. Thanks.

I feel as a contact wearer, as well as many in my family, that we should have a right to a copy of our prescription. We pay for the appointment and desire to obtain the results. I have always request a copy and I generally do not purchase from my doctor because his exceeds my benefits where mail suppliers furnishing the same lenser is less than my benefits. We should be intitled to shop and purchase where we desire. We paid for cost associated with the exam.

It is important that I can take my prescription to get lens for my contacts to a regular firm, the idea I need to buy contacts from the individual examining my eyes is a restraint of trade and an excuse to charge more for my contacts, I believe it is important that any Ophthalmologist or Optometrist must provide me with a copy of my prescription each time they examine my eyes,

I support the Contact lens  
law giving me the right to  
get my own Rx.

It is sad & silly that it  
is even an issue. Taking  
care of my eyes is my  
responsibility & it should  
be as convenient as possible

I DEFINITELY SUPPORT THIS NEWER LAW  
WHICH GUARANTEES THE RIGHTS OF THE  
CONSUMER TO PURCHASE CONTACT LENS AT  
HIS VENDOR OF CHOICE. THE CONSUMER ALSO  
HAS THE RIGHT TO OBTAIN HIS PRESCRIPTION AT  
NO CHARGE.

I have a right to obtain my  
prescription - I've paid for  
my eye exam - imagine if the  
Doctor charged extra for you  
to go elsewhere to fill  
prescriptions! TamePooooee

Dear Lawmakers,

I support the law which gives me the right to have my contact prescription. I want to have the convenience and freedom to change where I purchase my lens. I live in a rural area and find purchasing contacts via the mail the most appropriate for my situation. Please allow me to continue to do this.

Sis:

I wholeheartedly support the law which allows me to obtain a copy of my contact lens prescription and purchase my lenses wherever I choose. This should be no different than a prescription for a drug from a doctor that I can take to the pharmacy of my choice. Please don't allow the monopolistic practice of forcing me to buy my lenses from the prescribing doctor. Thank you.
