Good Afternoon FTC,

This e-mail is to let you know that I support the law which gives me the right to my contact lens prescription. I want the easy and convenient ways to choose the place where I purchase my contacts. As a consumer this will ensure I get a fair and reasonable price. Prior to being able to get my prescription form my doctor, I was pay 2-3 times what I pay now for the same contacts.

Thank you for your time and consideration.
