Subject: conact lens legislation

Contact Lens Rule, Project No. 411002,
The Federal Trade Commission/Office of the Secretary, Room 159-H (Annex A)
Washington DC

Hello,

I like being able to buy my contact lenses online or via telephone. I would prefer the government not get involved in any legislation that would limit or regulate my freedoms to purchase contact lenses as I choose.

Thank you,

W. Glendon Flowers
