**Subject:** Fairness to Contact Lens Consumers Act (FCLCA)

The Arizona Medical Association has reviewed the comments of the Arizona Optometric Association on the FTC proposed rules to the Fairness to Contact Lens Consumers Act and finds that we are in agreement with the substance of their remarks. Due to the April 5, 2004, deadline, we are unable to produce remarks of our own, but trust that you will add our support to documents submitted by the Arizona Optometric Association.
