I am writing to you to express my support of the Fairness to Contact Lens Consumers Act of 2003. As a consumer in this free-trade country of ours I believe it is my right to fill my prescription and purchase my lenses from whomever I choose. I do not like how everyone at the Doctor's office assumes I will buy my lenses from them. I should receive my prescription without asking for it - when I pay the bill for the exam. Where I choose to fill it should be my choice.

Thank you,
