Please don't change the law that  
allows me to get contact prescriptions!  
I've had a heck of a time getting  
them in the past, and it needs to  
be easier if I move. Kentucky of-  
tontologist has successfully lobbied to  
have prescriptions good for only  
1 year - which negates this law in  
many respects - so please don't do  
anything that makes this process  
harder than Please do not print below this line it already is!
