GENTLEMEN:

I AM STRONGLY IN FAVOR OF A NATIONAL
DO NOT CALL LIST.

AS A SENIOR CITIZEN, I AM FRUSTRATED BY
HURRYING TO ANSWER THE PHONE TO FIND
A TELEMARKETER OR HANG UP. MY ANSWERING
MACHINE CAN EASILY HAVE 12-15 HANG UPS
IF I AM AWAY FOR THE DAY.

PLEASE, DO INITIATE A NATIONAL DO NOT CALL

To Whom It May Concern:

I recently viewed a news broadcast regarding the possibility of legislation the FTC is considering that would enable the Consumer to remove his/her name from telemarketing lists **thus** eliminating the **irritating** and relentless marketing calls that come into our homes almost on a daily basis.

I have actually stopped answering my telephone **at** all because these calls are getting so obtrusive! I do know when a marketer calls because when my answering machine begins to answer the call, I get a hang up. I have gotten upwards of four to five calls in an evening and even on the weekends. There is no time that is sacred to these marketing Companies and while I do feel some compassion for the telemarketer who is trying to make a living, I **am** not likely to purchase ANYTHING over the telephone!

If there is any possibility of legislation that **will** curb this activity, I am all for it. Please add my letter to your list of consumers who would be very willing to add their name to a "do not call" registry.

Sincerely,

I SUPPORT A NATIONAL DO NOT CALL LIST.
TELEMARKETERS INVADE PRIVACY, AND I
WANT TO SEE IT STOPPED. I BELIEVE THEY HAVE
A RIGHT TO CONDUCT BUSINESS FROM 9:00 AM TO 5:00 PM
MONDAY THRU FRIDAYS. BUT THEY KNOW YOU ARE AT WORK
SO THEY CALL AT NIGHT INTERRUPTING, DINNER,
CHILDREN DOING HOMEWORK, FAMILY TIME, AND
OTHER LIFE STYLE LIVING.
WE HAVE SUFFERED THESE RUDE INTERRUPTIONS
LONG ENOUGH ITS TIME TO STOP IT.
GIVE US BACK OUR PRIVACY RIGHTS.

Mr Secretary,

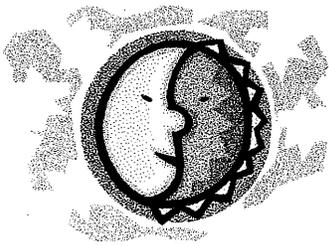

I fully support the FTC proposal for a "Do Not Call" registry.

I do not regard the proposed registry as an abridgement of the telemarketing industry's freedom of speech since I choose, through the registry, not to hear their unsolicited "speech".

I am retired and some days I have received as many as 10 unsolicited sales calls. Isn't this an invasion of my right to privacy? I've written to other registry's to get my name off of phone lists but the calls keep on coming and coming. I think only a Federal registry, with strong abuse penalties such as the FTC proposes, is the correct way to go.

Thank you.

John D Mc Turk

THANK YOU!!!

(Read the article in the Philadelphia Inquirer on 1/23/02)

I just want to write you to tell you that I support **STOPPING** all solicitation phone calls to private residences immediately **or** as soon as possible.

My husband works until 1:15 **AM** and sleeps until **Noon**. He gets each day approximately **4** annoying phone calls (even though we leave the answering machine on). The phone rings with ridiculous phone calls.

One company wanted to put aluminum siding on our brick house! We get calls Saturday morning at **9:00** when we would like to sleep later just one morning a week.

I could go on and on with these foolish calls.

If you could pass a law stopping these calls to my house, I would be **SO GRATEFUL** and so would my husband who needs his sleep.

Thank you for proposing this bill. It is greatly appreciated!!!

It can't happen soon enough for us.

Dear FTC:

Re: a national telemarketing do-not-call-list

An idea whose time **has** come! Beyond all the usual reasons that we give for not wanting telemarketing calls, I would like to add the point of view of a full-time caregiver. **When I was** caring full time for my elderly mother until her death, I found my tolerance for telemarketing calls went to zero. If I decided to answer the phone while I **was** caring for her--bath, etc.--it was because I was expecting a call. There were so many times when I would run to the phone and discover it **was** a sales call.

As I write this, we have just decided to screen all of our phone calls because of the number of telemarketing calls we have been receiving. This in itself is a nuisance caused by another nuisance. Please give us back the privacy of **our** phone lines.

Thank you.

Nan Fritzsche
